2023 年 11 月末より約 4 ヶ月、マレーシアから本校に留学生が来ていました。2G（普通・国際理解ミックスクラス）で学び、国際理解コースの生徒だけでなく、普通コースの生徒とも親交を深めました。校内スピーチコンテストでは流ちょうな日本語で素晴らしいスピーチをし、聴衆を驚かせました。

## ■アキルより 北高へ

It has been 4 months since I have stepped foot in Kita High School. I still remember the first day coming to school. Seeing the bicycles parked outside, students changing into their slippers, and the cool breeze of air inside the hallways. I have experienced so much since then. Being in the Global Awareness Course, while still enjoying learning my favorite math and science subjects, Kita High School has become like a second home to me. It also helps because I was living in a dorm alone where no one really talks to each other. My classmates, friends, and teachers are my everything, and I'm very lucky to have everyone be so kind and helpful to me. You all really are my second family.

I would like to express my gratitude to everyone that has helped me during my study in Kita High School. Namely, Yoshimura-sensei, Seko-sensei, my 2G classmates, Mr. Principal Kazuhiro Funakoshi (Kocho-sensei), teachers, school staff, and fellow student friends. Kita High School has opened my eyes to new experiences, ways of learning, and life of a Japanese Highschooler. I am definitely in debt to you all for giving me these priceless memories. It is something I will never forget. I will do my best studying and come back one day to return this favor. Until then, please wait for me. I will always keep in contact.

Thank you, Kita High School.
